

# Avalon

## Roxy Music

Now the party's over, I'm so tired  
Then I see you coming out of nowhere  
Much communication in a motion  
Without conversation or a notion

Avalon

When the samba take you out of nowhere  
And the background fading out of focus  
Yes, the picture's changing every moment  
And your destination, you don't know it

Avalon

Dancing, dancing

Dancing, dancing

When you bossanova, there's no holding  
Would you have me dancing out of nowhere

Avalon
