

# Turning Page (Instrumental)

## Sleeping at Last

I've waited a hundred years  
But I'd wait a million more for you  
Nothing prepared me for  
What the privilege of being yours would do  
If I had only felt the warmth within your touch  
If I had only seen how you smile when you blush  
Or how you curl your lip when you concentrate enough  
Well I would have known  
What I was living for all along  
What I've been living for  
Your love is my turning page  
Where only the sweetest words remain  
Every kiss is a cursive line  
Every touch is a redefining phrase  
I surrender who I've been for who you are  
For nothing makes me stronger than your fragile heart  
If I had only felt how it feels to be yours  
Well I would have known  
What I've been living for all along  
What I've been living for
