True North

Devin Townsend Project

I love you, I love you
I need you, I've always been around you
I love you, I need you
I've always been around you
I love you, I need you
I've always been around you
I love you, I need you
I've always been around youI love you, I need you
I want you, I've always been around you
I love you, I need you
I've always been around you
I love you, I need you
I've always been around you
I love you, I need you
I've always been around you
I love you, I need you
I've always been around you
I love you, I need you
I've always been around youHey there, what has come into your royal mind?
Sew the weight of commentate amour
We close the doorA little more, a little more
A little more, a little more
A little more, a little moreTell me:
Where do we go from here? (Tell me!)
Where do we go from here?
Where do we go from here? (Tell me!)
Where do we go from here?Believe in the word(See the monochrome blue)
So the north is strong and free! So we live again!
So the north is strong and free, so we live again!Let's tear it up!
Ahhhhh, ahhhhh
AhhhhhhhhhhhhhEveryone into forever
Everything a part of me
Dancing all into whenever
Effervescent quality
