Young nigga move that dopeWhippin' the yam, whippin' a fifth of the yam
Turn the whole brick to a Lam
Been rockin' the dope, soon as it get off the boat
Keepin' it soft like a mink
Gold on my link, coke in the sink
Choppin' that work like karate
Swerve in the new Maserati
In a brand new Maserati
That's a whole lot of new money
Snatch it, then hide it from 12's
Movin' and squashin' them bells
Servin' the rawest of yayo
Beating that china like Kunta Kinte
Whippin' it, whippin' that dope
Drinkin' on syrup, I'm rollin' up haze
Made myself a boss, a boss or a plug
Either way you put it, nigga, I'm good
Triple salute, nigga, straight out the hood
Bakin' soda water splash the scales
Fork in my right and my pride in my left
Leanin' over, over to the side
I whip me a fourway to a nine
The dirty, the money is homicide
And my recipe can't be televisedYoung nigga move that dope

Young nigga move that dope
They move that dope, they move that dope
Young nigga move that dope
Young nigga, young nigga move that dope
Young nigga move that dope
They move that dope, they move that dope
Young nigga move that dopeYoung nigga move that dope

They move that dope, they move that dope
Young nigga, young nigga move that dope
Young nigga move that dope
They move that dope, they move that dope
Young nigga move that dopeYoung enough to still sell dope, but old enough that I knows better
When they sayin' it's 42 for that white powder, I knows better
Get it nigga? I nose better, put a smile on the devil's face
Who don't wanna sell dope forever and flood their Rollie 'til the bezel break?
Woo! Fish scale in the two-door that I fish-tail
Fiberglass, Ferrari leather, in designer shit that I misspell
YUGHH, look at the clues, the J's, the jewels, I mention the monkey
From sixteen years old, I'm whippin' in kitchens, fuckin' my junkies
Pablo, Versace way before Migos
My dinner plates, no silverware, all you niggas my E-hoes
Toss a kilo like a free throw, crack house, it had the peephole
Made it through to the other side, now nothin's big as my egoYoung nigga move that dope
Young nigga move that dope
They move that dope, they move that dope
Young nigga move that dope
Young nigga, young nigga move that dope
Young nigga move that dope
They move that dope, they move that dope
Young nigga move that dopeYoung nigga move that dope
Young nigga move that dope
They move that dope, they move that dope
Young nigga move that dope
Young nigga, young nigga move that dope
Young nigga move that dope
They move that dope, they move that dope
Young nigga move that dopeMe, I try to leave the best for later
But Pusha tried to put me on the respirator
The old Skateboard P, that's your favorite
Me and twenty girls doin' yoga naked
Frequency high, like a spaceship
She say that she like it and she's been exposed
The Gandalf hat and the weird ass clothes

That's Comme des Garçons and the Buffalo
 I know guerrillas with the triggers that's on a banana clip
 And packin' with the biggest missiles
 These niggas is knocking over vehicles
 These niggas ain't waitin' just to see niggas
 These niggas ain't tryna hear plea niggas
 These niggas like choppin' down trees, niggas
 These niggas 1-2-3 and they squeeze, niggas
 These niggas hit the weed then they leave niggas
 Gee, nigga
 If you got two hoes, you need to let one go
 Two Lambos, you need to let one go
 All these drones while y'all smoke dro
 Never honest, guy, I'm tryna let y'all know
 Ain't no standards, I'ma set one though
 Big ass bag but no man sandals
 All that war, we need to let that go
 That boom business, I'ma get that ho
 Young nigga move that dope
 Young nigga move that dope
 They move that dope, they move that dope
 Young nigga move that dope
 Young nigga, young nigga move that dope
 Young nigga move that dope
 They move that dope, they move that dope
 Young nigga move that dope
 Young nigga move that dope
 They move that dope, they move that dope
 Young nigga move that dope
 Young nigga move that dope
 They move that dope, they move that dope
 Young nigga move that dope
 Young nigga got that coke, whip that dope like a batter
 How you think about that coupe, with no roof? Young nigga cashed out
 Pass me the purp, pass me the zan, young nigga 'bout to pass out
 Swerve I'm behind her, I got some in the car, young nigga 'bout to smash out
 Me gon' hit that line, say he got some bricks, young fresh, 'bout to buy 'em out
 QuikTrip 'round the corner, dropped a nine
 Got the J's in the hood tryna smoke a line
 Cocaine, cocaine cowboy, like Mickey Munday
 Take over the project, whip a line, me no wait
 I keep a 45 in my coat, while I'm servin' dope
 J's in my hood smoke that crack, say it give 'em hope
 Serve a nigga whole brick, he hopin' that it come and go
 Young nigga turnt up, spend that money with Casino!
 Young nigga move that dope
 Young nigga move that dope

They move that dope, they move that dope
Young nigga move that dope
Young nigga, young nigga move that dope
Young nigga move that dope
They move that dope, they move that dope
Young nigga move that dope Young nigga move that dope
Young nigga move that dope
They move that dope, they move that dope
Young nigga move that dope
Young nigga, young nigga move that dope
Young nigga move that dope
They move that dope, they move that dope
Young nigga move that dope
