

# Money Back Guarantee

[Jimmy Buffett](#)

One day you'll be glad I came around  
I may be the best thing you have found  
Ain't much you can count on in this town  
Swear I'm speaking from my heart  
And I won't let you down My love is guaranteed, you're never going to see the end of me  
I've got all you need, like a Ginsu knife or a bamboo steamer  
Late-night TV, hawk-eyed screamer  
You'll be the coffee, I'll be the creamer  
I'm money back, money back guaranteed  
Money back, money back guaranteed I just do my best to stay alive  
Got a junked out car but you should see me drive  
Racing down St. Charles Avenue  
Ain't got much but what I got will sure be good for you My love is guaranteed, you're never going to see the end  
of me  
I've got all you need, like a Ginsu knife or a bamboo steamer  
Late-night TV, hawk-eyed screamer  
You'll be the coffee, I'll be the creamer  
I'm money back, money back guaranteed  
Money back, money back guaranteed Flyin' down the highway of my dreams  
You will find my crazy love is always what it seems My love is guaranteed, you're never going to see the end of  
me  
I've got all you need, like a Ginsu knife or a bamboo steamer  
Late-night TV, hawk-eyed screamer  
You'll be the coffee, I'll be the creamer  
I'm money back, money back guaranteed  
Money back, money back guaranteed I'm money back, money back guaran  
Money back, money back guaran  
Money back, money back guaranteed Money back, money back guaran  
Money back, money back guaran  
Money back, money back guaranteed Money back, money back guaran  
Money back, money back guaran  
Money back, money back guaranteed
