

Emotional

Diana DeGarmo

Sometimes I get emotional
Sometimes I do some stupid things
Sometimes I say what I should just keep inside Sometimes Im sad 'bout everything
Sometimes Im mad and break some things
Sorry times ten but you just got in the way Dont give up no running away
I wont hurt you sometimes Im just a pain and
And thats the way it is, thats just the way I am Sometimes I feel like crying, laying down and dying
Thats when I need you, well laughing's always easy
But sometimes Im just scared you'll leave me
Thats when I feel emotional You say Im just impossible totally unpredictable
Im just a girl, get used to it, no big deal
You cant change me why would you try?
Im no angel but I can make you smile
And thats the way it is thats just the way I am Sometimes I feel like crying, laying down and dying
Thats when I need you, well laughing's always easy
But sometimes Im just scared you'll leave me
Thats when I feel emotional Dont give up I wont hurt you
Oh, sometimes Im just a pain
And thats the way it is
Thats just the way I am Sometimes I feel like crying laying down and dying
Thats when I need you, well laughing's always easy
But sometimes Im just scared you'll leave me
Thats when I feel Sometimes I feel like crying
Laying down and dying
Thats when I need you Sometimes I get emotional
