Easy Love

James Morrison

Heeyyyy
YeeehhheeeyyyWhen everything gets too much
All I need is just a little touch
She's the only one who crieths my soul
She's my rejuvenator who keeps me young when I feel oldYou got me cool, calm, slow, deep, fresh, so easy love
I can't get another
Cool, calm, slow, deep, fresh, so easy love, yeahI need your easy love
If I don't get it 'til I'm crying like boohoo
No one else is good enough
Ain't nobody going to put me in their pocket like you do
Wwaaaaooo
Easy love
Wwaaaaooo
Easy LoveCool, calm, slow, deep, fresh, so easy love
I can't get another
Cool, calm, slow, deep, fresh, so easy loveThen all I've got is this trouble
Deep in my mind
She navigates me to a better place in time
I'm never without a good feeling when she's there
She is my alligator who eats up all my fearCool, calm, slow, deep, fresh, so easy love
I can't get another
Cool, calm, slow, deep, fresh, so easy love
I need your easy love
If I don't get it 'til I'm crying like boohoo
No one else is good enough
Ain't nobody going to put me in their pocket like you doLike Prince I feel so cool
Gotta wear shades cause the sky is looking so blue
When I wake up in the morning
All the kids are out
Wanna shout it out
Wanna shout itCool, calm, slow, deep, fresh, so easy love
I can't get another
Cool, calm, slow, deep, fresh, so easy loveI need your easy love
If I don't get it 'til I'm crying like boohoo
No one else is good enough
Ain't nobody gonna put me in their pocket like you doLike Prince I feel so cool
Gotta wear shades cause the sky is looking so blue
No one else is good enoughWanna shout it out

Ohh I wanna shout it out
Naahhh
Wanna shout it outCool, calm, slow, deep, fresh, so easy love
Wanna shout it out
Cool, calm, slow, deep, fresh, so easy love
Wanna shout it out
Cool, calm, slow, deep, fresh, so easy love
Ohh yess I do
Cool, calm, slow, deep, fresh, so easy love
I can't get another
