You Will Not Steal Our Children

YFriday

There is one the angles
Bow to praise
There is one whose name's
Above all names
The one who brought out
Lazarus from the grace
Says 'Let my people go,
Let my people go'

There is one before all things began
He who was, and is
And is to come
The one who is
Father, Spirit, Son
Says 'Let my people go,
Let my people go

You will not steal our Children
You will never break our hearts
You will not steal our children
You will never break our hearts

There is one the
Prophets longed to see
A man who walked in
Love and purity
The one who broke Your
Power at calvary
Says 'Let my people go,
Let my people go

We pray and we pray
We cry out with tears for our children
We pray and we pray
We stand in the power of Jesus
