Drift Away

Linda Eder

Day after day I'm more confused
So I look for the light in the pouring rain
You know that's a game that I hate to lose
I'm feelin' the strain, ain't it a shameOh, give me the beat, boys, and free my soul
I want to get lost in your rock and roll and drift away
Oh, give me the beat, boys, and free my soul
I want to get lost in your rock and roll and drift awayBeginning to think that I'm wastin' time
I don't understand the things I do
The world outside looks so unkind
I'm countin' on you to carry me throughAnd when my mind is free
You know a melody can move me
And when I'm feelin' blue
The guitar's comin' through to soothe me
Thanks for the joy that you've given me
I want you to know I believe in your song
Rhythm and rhyme and harmony
You help me along makin' me strong
