

Life's Highway

Seán Keane

Sun is up time's at hand
There's a stir across the land
And so begins another day
On life's highway On city streets down country roads
Like a stream the people flow
There's bread to win and tolls to pay
On life's highway There is hope with every turn
A bridge to build, a bridge to burn
Heres hoping you never go astray
On life's highway We are young then we're old
Passing through then passing on
Like the roses bloom and fade
On life's highway Step by step, round and round
Never knowing where we're bound
From the cradle to the grave
On life's highway There is hope with every turn
A bridge to build, a bridge to burn
Heres hoping you never go astray
On life's highway Sun is up time's at hand
There's a stir across the land
And so begins another day
On life's highway
