

# Stupid World

Matthew Ryan

We wrote on the sidewalk  
When no one was watching  
"This way to the ocean"  
And she took her clothes off  
And waved at the traffic  
But nobody noticed  
It was a stupid world  
La da da da da da  
La da da da da da, la da da  
A train leaves at midnight  
There's light in the hallway  
And bags on the curb now  
Where kids dress like soldiers  
And bombs fill the windows  
We'll marry in winter  
In a stupid world  
La da da da da da  
La da da da da da, la da da  
Soon the trees will be green again  
And the sun will be out  
Birds will return again from the south  
Some suffer a blandness  
A wild disappoint  
Despite good intentions  
I showed her my scars then  
She showed me her bruises  
Yeah, someone's salvation  
In a stupid world, la da da da da da  
La da da da da da, la da da
