

You Don't Know

Jesse Powell

You don't know, baby
Just what I'm going through
You don't know, baby
I have no days, I have no nights
Without you girl, I have no life Girl, there's just no getting over you
The more I try, the more I cry
Girl, no matter what I say I'll do
It still comes back to wanting to get with you, baby As I walk room to room, my love
I see traces of you, pictures of you
And I smell your perfume, oh You don't know, baby, no, you don't know
Just what I'm going through over you
You don't know, baby
I have no days, I have no nights
Without you girl, I have no life Girl, I sometimes walk out in the rain, yes, I do
To hide the tears and drown the pain
I sit alone inside a restaurant
I get tea for two, 'cause I know that's what you'd want, baby But you're not even here, my love
And I just don't know why, I'm losing my mind
I can't let you go, baby You don't know, baby
Just what I'm going through over you
You don't know, baby
I have no days, I have no nights
Without you girl, I have no life You see there's no getting over you
I try, but it's hard to lose the feeling, baby
I keep holdin' deep inside of me, baby
And when I cry, I cry tears of pain
My life will never be the same
Trust me, baby, you just don't know, baby You don't know, baby
Just what I'm going through
You don't know, baby
I have no days, I have no nights
Without you girl, I have no life I wanna go outside in the rain
(To hide the tears)
I wanna go outside in the rain
(I can't stop cryin', baby)
I wanna go outside in the rain
('Cause I'm all alone) I have no days
I have no nights
Without you girl, I have no life You don't know, baby, no

Just what I'm going through over you
You don't know, baby
