You Don't Know

[Jesse Powell](#)

You don't know, baby
Just what I'm going through
You don't know, baby
I have no days, I have no nights
Without you girl, I have no lifeGirl, there's just no getting over you
The more I try, the more I cry
Girl, no matter what I say I'll do
It still comes back to wanting to get with you, babyAs I walk room to room, my love
I see traces of you, pictures of you
And I smell your perfume, ohYou don't know, baby, no, you don't know
Just what I'm going through over you
You don't know, baby
I have no days, I have no nights
Without you girl, I have no lifeGirl, I sometimes walk out in the rain, yes, I do
To hide the tears and drown the pain
I sit alone inside a restaurant
I get tea for two, 'cause I know that's what you'd want, babyBut you're not even here, my love
And I just don't know why, I'm losing my mind
I can't let you go, babyYou don't know, baby
Just what I'm going through over you
You don't know, baby
I have no days, I have no nights
Without you girl, I have no lifeYou see there's no getting over you
I try, but it's hard to lose the feeling, baby
I keep holdin' deep inside of me, baby
And when I cry, I cry tears of pain
My life will never be the same
Trust me, baby, you just don't know, babyYou don't know, baby
Just what I'm going through
You don't know, baby
I have no days, I have no nights
Without you girl, I have no lifeI wanna go outside in the rain
(To hide the tears)
I wanna go outside in the rain
(I can't stop cryin', baby)
I wanna go outside in the rain
('Cause I'm all alone)I have no days
I have no nights
Without you girl, I have no lifeYou don't know, baby, no

Just what I'm going through over you
You don't know, baby
