

Saddest Song In The World

Meiko

I wake up and you're gone
The TV's still on
And I sit and I watch another rerun
She is left all alone, her lover's gone to sea
And I can't help but feel that she is just like me

And I gave all I could, but it wasn't good enough
And you said that you would be here before I woke up
Now you're gone

I don't know why my heart still beats
When I can't feel anything

'Cause I gave all I could, but it wasn't good enough
And you said that you would be here before I woke up
Now you're gone

Away
Now you're gone
Away

Why don't you take me with you
Come take me with you
Come and take me with you
Come and take me with you

'Cause I gave all I could, but it wasn't good enough
And you say that you would be here before I woke up
Now you're gone

Oh Oh Oh
