# I Don't Know How

## ISAK N JIYEON

I don't know how
To tell you I love you
To tell you I miss you
To tell you I careI don't know how
To tell you it's right
When it feels so wrong
For you to be nearAnd I don't know why
The sun's in the sky
The rain it falls down
Down on to the groundI've been in trouble
I've been let down
So please tell me now
You're sticking aroundI don't know how
I don't know how
I don't know how
I don't know howI don't know how
I don't know how
I don't know how
I don't know howI've seen a million things
I've been around town
What I know now
Since you've been aroundThough I'm so young
I feel so old
I've been though the summer
Stuck around for the coldI don't know how
I don't know how
I don't know how
I don't know howI don't know how
I don't know how
I don't know how
I don't know howYou see me everywhere
You walk around without a care
You see me everywhere
You walk around without a care
You see me everywhere
You walk around without a care
You see me everywhere
You walk around without a careI don't know how
I don't know how

I don't know how
I don't know howI don't know how
I don't know how
I don't know how
I don't know howI don't know how, I don't know how
