

# Dracula's Wedding (feat. Kelis)

## Outkast

You're all I've ever wanted  
But I'm terrified of you  
See, my castle may be haunted  
But I'm terrified of you  
I've cast my spell on millions  
But I'm terrified of you  
Baby, I do this from the ceiling  
But I'm terrified of you I wait my whole life to bite the right one  
Then you come along and that freaks me out  
So I'm frightened  
Dracula's wedding I never ran from no one  
But I'm terrified of you  
See, my heartbeat is a slow one  
But I'm terrified of you  
I've been around for ages  
But I'm terrified of you  
Drag my thing across the stage  
But yet I'm terrified of you I wait my whole life to bite the right one  
Then you come along and that freaks me out  
So I'm frightened  
Dracula's wedding You know I'm terrified  
You know I'm terrified  
You know I'm terrified  
Shh, here she comes (3000, 3000, 3000, 3000)  
Give me the chance to dance romance  
Don't run, I'm not the sun  
So much at stake  
Oh, bad choice of words  
But I'm not the gun  
With silver bullets  
And I can count (1,2,3)  
Plus I make great peanut butter & jelly sandwiches  
Van Helsing For richer or poorer  
Through sickness and in health  
'Til death do us part  
'Til death do us part  
You only live once  
Well, not in our case  
'Cause we live forever
