

"Sunny Day"

Joy Williams

Sunny Day

written by Joy Williams & Tim Myers I open my eyes

I look to the sky

it's a sunny day the world is looking so bright

what a surprise

it's a sunny day oh oh oh oh ohooo... Gimme Gimme Gimme Gimme what I want

I want sunshine, sunshine

Gimme Gimme Gimme cuz it's been so long

I want sunshine, sunshine I'm feeling so free

like a summer breeze

It must be magic I forget all my plans

put my toes in the sand

I just can't help it oh oh ooh oh ohhh Gimme Gimme Gimme Gimme what I want

I want sunshine, sunshine

Gimme Gimme Gimme cuz it's been so long

I want sunshine, sunshine we're two of a kind

like blue birds singing out a simple tune

if you don't mind

it's the perfect kind of day to fall in love

with you Gimme Gimme Gimme Gimme what I want

I want sunshine, sunshine

Gimme Gimme Gimme cuz it's been so long

I want sunshine, sunshine
