The Sky Is Crying

George Thorogood & The Destroyers

The sky is crying
Look at the tears roll down the street
The sky is crying
Look at the tears roll down the street
I'm feeling sad and lonely
My baby's left meUnderstanding and a little lovin'
A little love is all that I need
Understanding and a little lovin', baby
A little love is all that I needBut misunderstanding and a no-good woman
They both cause my heart to bleed
Now every morning
The weeping willows weep for me
Every morning baby
The weeping willow weep for me
The birds sing a little tune
I wish they'd sing my baby back home to meThe sky is crying
Look at the tears roll down the street
The sky is crying
Look at the tears roll down the street
I'm feeling sad and lonely
My baby's left me
