

Girl

O-town

She's a special girl
With her own money, job, and credit cards
A sexy girl
You better be careful or she'll pull your card
In this world
You wont find any like her standing around
And I want a girl like her
And I need a girl like her
Girl, a pretty girl, a lovely girl
Girl, a down for whatever special girl
Girl, a smart girl, a real girl
I need her in my life always
Oh, girl, a sexy girl, a lovely girl
Girl, a down for whatever special girl
Girl, a smart girl, a real girl
I need her in my life always girl
Every day oh I
I think about where she is
And who she's with
And whoever he is can he truly handle it
'Cause there is only one kind of guy
For this kind of girl
And I want her
And I need her
I gotta have this girl
Girl, a pretty girl, a lovely girl
Girl, a down for whatever special girl
Girl, a smart girl, a real girl
I need her in my life always
Oh, girl, a sexy girl, a lovely girl
Girl, a down for whatever special girl
Girl, a smart girl, a real girl
I need her in my life always girl
I need you in my life
Girl, a down for whatever special girl
I want you in my world
Girl, a smart girl, a real girl
Oh, girl, girl, girl

I need her in my life always
Oh, girl, a sexy girl, a lovely girl
 Sexy, lovely, pretty girl, yeah
Girl, a down for whatever special girl
 A smart girl, a real girl
I need her in my life always girl
 See, you got me feigning
 I know you hear me calling
 I'm sitting here begging
 For just a chance with you
 I'll never do you wrong baby
 Here is where you belong sugar
 Baby can't you see that I need you
 'Coz you're such a
 Girl, a pretty girl, a lovely girl
 Girl, a down for whatever special girl
 I'll be singing
 Girl, a smart girl, a real girl
 I need her in my life always girl
 Oh, girl, a sexy girl, a lovely girl
 Girl, a down for whatever special girl
 Girl, a smart girl, a real girl
 I need her in my life always girl
 Girl, a pretty girl, a lovely girl
 Girl, a down for whatever special girl
 Girl, a smart girl, a real girl
 I need her in my life always
 Oh, girl, a sexy girl, a lovely girl
 Girl, a down for whatever special girl
 Girl, a smart girl, a real girl
 I need her in my life always girl
 Girl, girl, girl
 Oh, girl, girl, girl
