

Exciter

Judas Priest

Racing 'cross the heavens
Straight into the dawn
Looking like a comet
Slicing through the mornScorching the horizon
Blazing to the land
Now he's here amongst us
The age of fire's at handStand by for exciter
Salvation is his task
Stand by for exciter
Salvation bids to askEverything he touches
Fries into a crisp
Let him get close to you
So you're in his tripFirst you'll smoke and smolder
Blister up and singe
When ignition hits you
The very soul of your being will cringeStand by for exciter
Salvation is his task
Stand by for exciter
Here he comes now
Fall to your knees
And repent if you pleaseWho is this man?
Where is he from?
Exciter comes for everyone
You'll never see him
But you will taste the
Fire upon your tongueHe's come to make you snap out
Of the state that you are in
Look around and make you
See the light againSo much self-indulgence
Results in shattered eyes
Predominant complacency
Leads to beguiling liesStand by for exciter
Salvation is his task
Stand by for exciter
Salvation bids to askWhen he leaps amidst us
With combustive dance
All shall bear the branding
Of his thermal lanceCauterizing masses
Melting into one

Only when there's order
Will his job be doneStand by for exciter
Salvation is his task
Stand by for exciter
Here he comes now
Fall to your knees
And repent if you pleaseWho is this man?
Where is he from?
Exciter comes for everyone
You'll never see him
But you will taste the
Fire upon your tongueRacing past the heavens
Straight into the dawn
Looking like a comet
Slicing through the mornScorching the horizon
Blazing to the land
Now he's here amongst us
The age of fire's at handStand by for exciter
Stand by for exciter
Stand by for exciter
Stand by for exciter
