**Fat Joe**

Yeah, uh!  
Fuck these hoes  
Fuck these bitches  
Fuck these bitch ass niggas, you heard me?(Crap)  
I'm talkin' money over bitches fuck a love song  
I be the...in your home jus you don't know  
This is the opposite of darkside, (Yeah!) the don's home  
Baby catch a flight, reignite now we long gone Now I don't want 'em, I don't trust 'em, I don't love 'em, I just  
fuck 'em, I just bun 'em  
I be ... these hoes, nigga  
Know I'm sayin'? I'm just playin', I be slayin', they ain't stand, kick 'em out  
Yeah I can come for these hoes, nigga  
There's always money over, a nigga never sober and lately these bitches they prison me like I'm Jahova  
I'm loyal to the paper, when it calls I gotta leave, rushin' out the crib and I'm movin' Lamborghini speed  
We in them Cali hills, sittin' on a hundred mill, drinkin' on these tricks I couldn't tell ya niggas how that feels  
How we...down, I ain't payin' no deal  
These bitch ass niggas gettin' done up cus I'm so real  
Duffle bags, fill up, blow it all, just to get a thrill  
Jumpin' in the ocean with my ice
