

From The South (feat. Lil Flip & Paul Wall)

Z-Ro

From the South
I got the diamonds in my mouth
From the South
I got the diamonds in my mouth
From the South
I got the diamonds in my mouth
From the South
I got the diamonds in my mouth Hold up a minute, I'm the King of the Ghetto
Holding the rap game, like wood grain can't let go
You niggas'll never see me, I'm on another level
Stay ready to dig a grave, keep a gun and a shovel
And pouring gas too, if there evidence
Saw me in the rear view, now you wonder where I went
I'm a get you if I owe ya, visit ya residence
Lay the merk game down, and then I'ma hit the fence
Better keep my mouth closed, so they can't see the shining
They think it was Z-Ro, cause all they seen was diamonds
I'm cold as a deep freeze, with bags of ice in it
My 3-57 pretty, but ain't nothing nice in it
Too many bitches, and not enough rubbers
Got so many, all my real niggaz under the gutter
Watch a nigga full of life, light close like shutters
God damn, staying healthy is hard as a mo'fucker From the South
I got the diamonds in my mouth
From the South
I got the diamonds in my mouth
From the South
I got the diamonds in my mouth
From the South
I got the diamonds in my mouth I got diamonds all in my mouth, in my grill and in my jaws
Platinum teeth and princess cuts, my mouth is similar to a disco ball
I'm Paul Wall my smile is blinding, my ice is shining like a chandelier
I tend to brush my teeth with Windex, just so the glass house mouth shine clear
I got mo' karats invested with soup, I'm a Texas icon a People's Champ
Put on your shades when I commits to approach, my mouth is eliminating like a lamp
It got gold grills and platinum and ice, cause that's how it is in the Lone Star State
With a cup full of bar in a candy car, and we jamming on a Robert Davis Grey Tape From the South
I got the diamonds in my mouth
From the South

I got the diamonds in my mouth
 From the South
 I got the diamonds in my mouth
 From the South
 I got the diamonds in my mouth Ever since 1999, I had diamonds in my grill
 You just rapping that ain't platinum, homie you need to chill
 Cause you embarrassing Texas, nigga you ain't trill
 Nigga you been on my dick, way befo' you got your deal
 These rappers finally get some fame, and think they got it locked
 After your album flop, nigga you gon be on Koch
 My gear clean, from my ear rings to my pinky ring
 If you ain't spend thirty, tuck in your piece and chain (Southside) From the South
 I got the diamonds in my mouth
 From the South
 I got the diamonds in my mouth
 From the South
 I got the diamonds in my mouth
 From the South
 I got the diamonds in my mouth Blucka-blucka-blucka, that's how my gun go
 If I'm looking agitated, bitch you better run hoe
 I use to do the baguettes, but now I'm VS-1's though
 Princess cuts straight up and down, Johnny done those
 I got loud ice, just like Paul Wall
 Shining down South, brighter than all y'all
 When it's time to get your jewelry done who do y'all call
 Cause you fellas ain't shining at all, check me out
 On the first and fifteenth, I'm some'ing like a pimp
 Even with a suspended license, still finna flip
 Ain't no limit to this cash, ain't nothing I can't get
 Five deuce Hoover cause, ain't nothing like a Crip
 Ride with a Revolve', I don't fuck with clips
 These roach ass niggaz, trying to make me bust my chips
 But I'm not a bank, I don't even trust my bitch
 I'm from the South, and I got diamonds in my mouth From the South
 I got the diamonds in my mouth
 From the South
 I got the diamonds in my mouth
 From the South
 I got the diamonds in my mouth
