

God (Interlude)

OutKast

God
Come in God
God come in God
Damn you're a girl
Well, I guess the reason I am talking to you tonight is
Cause I've been doing a lot of thinking and
I consider myself a pretty cool guy
And I've never cheated on any of my girlfriends
Well, well except that one little time in Japan but
That was just some head, and head don't count right?
Ah, thanks God I knew you'd understand
Well, I just feel like,
Well, to be honest with you
God, I just need a sweet bitch
You know, somebody not too fast
But not too slow
Cause I don't have it all my damn self
And life ain't easy
You know you just want somebody by your side to help smooth that thang out
You know what I'm talking bout?
And, at this point
I mean I am not being picky
She doesn't even have to have a big ol' ass
But you know
Just something well proportioned to her body
You know a nice little tail
You know
What?
You say, you say you found somebody?
Is she cute?
So when do I get to meet her?
Ah, God your the greatest
Well, I guess ill talk to you later
Amen
Oh I'm sorry, I'm sorry
A lady
