Crystalised (Eric Solomon Remix)

The xx

You've applied the pressure
To have me crystallized
And you've got the faith
That I could bring paradiseI'll forgive and forget
Before I'm paralyzed
Do I have to keep up the pace
To keep you satisfiedThings have gotten closer to the sun
And I've done things in small doses
So don't think that I'm pushing you away
When you're the one that I've kept closestYou don't move slow
Taking steps in my direction
The sound resounds, echo
Does it lesson your affectionYou say I'm foolish
For pushing this aside
But burn down our home
I won't leave aliveGlaciers have melted to the sea
I wish the tide would take me over
I've been down on my knees
And you just keep on getting closerGlaciers have melted to the sea
(Things have gotten closer to the sun)
I wish the tide would take me over
(And I've done things in small doses)
I've been down onto my knees
(So don't think that I'm pushing you away)
And you just keep on getting closer
(When you're the one that I've kept closest)
Go slow
