

# I Never Dreamed

## Lynyrd Skynyrd

My daddy told me always be strong son  
Don't you ever cry  
You find the pretty girls, and then you love them  
And then you say goodbye  
I never dreamed that you would leave me,  
But now you're gone  
I never dreamed that I would miss you  
Woman won't you come back home I never dreamed that you could hurt me  
And leave me blue  
I've had a thousand, maybe more  
But never one like you  
I never dreamed I could feel so empty  
But now I'm down  
I never dreamed that I would beg you  
But woman I need you now It seems to me, I took your love for granted  
It feels to me, this time I was wrong, so wrong  
Oh Lord, how I feel so lonely  
I said woman, won't you come back home I tried to do what my daddy told me,  
But I think he knew  
Someday I would find  
One woman like you  
I never dreamed it could feel so good Lord,  
That two could be one  
I never knew about sweet love  
So woman won't you come back home  
Oh baby won't you come back home
