

Love By Grace

[Lara Fabian](#)

I remember the rain on the roof that morning
And all the things that I wanted to say
The angry words that came from nowhere without warning
That stole the moment and sent me away
And you standing there at the doorway crying
And me wondering if I'd ever be back I said, "I didn't come here to leave you
I didn't come here to lose
I didn't come here believing I would ever be away from you
I didn't come here to find out
There's a weakness in my faith
I was brought here by the power of love, love by grace" And I remember the road just went on forever
Just couldn't seem to turn that car around
Till in the distance like a long lost treasure
A phone booth that just could not be found
And you standing there at the doorway waiting
And the moment when we laid back down I said, "I didn't come here to leave you
I didn't come here to lose
I didn't come here believing I would ever be away from you
I didn't come here to find out
There's a weakness in my faith
I was brought here by the power of love" That was just a moment in time
And one we'll never forget
One we can leave behind
'Cause when there was doubt, you'll remember I said "I didn't come here believing I would ever be away from
you
I didn't come here to find out
There's a weakness in my faith
I was brought here by the power of love
I was brought here by the power of love, love by grace
Love by grace"
