

# Dull Boy

## Mudvayne

All work and no play makes me a dull boy..  
All work and no play makes me a dull boy..  
All work and no play makes me a dull boy..  
ALL WORK AND NO PLAY MAKES ME A DULL BOY!!Live in a secret  
Live in a lie  
Live in a dark hole  
Beneath the black skyLive like a martyr  
And draw my last breath  
Feel like an old man  
With a knife in my chestLive like a transient  
Live like a thief  
Hide in a closet  
Grinding my teethSit in a small room  
With the walls closing in  
Open the shutters  
But everything's still dimPayback  
For all the things  
I've done in my pastPayback  
For everything  
There are no take backsI'm not the reason  
It's not my fault  
It's not my problem  
I'm not the causeI'm not your scapegoat  
I'm not your god  
I'm not your martyr  
I'd leave you allI'm not the reason (I'm not your scapegoat)  
It's not my fault (I'm not your god)  
It's not my problem (I'm not your martyr)  
I'm not the cause (I'd leave you all)All work and no play  
Makes me a dull boy  
Feel like a clown  
Without my funny noseWalk to the window  
Break it out with my fist  
Jump from the sill  
And I'll plunge to my deathYou can be selfish  
Whatever ya think  
Throw back my pills  
And take a sip of my drinkWalk under the clouds  
Walk under the trees

Always again  
Envy covering me Payback  
For all the things  
I've done in my past I'm not the reason  
It's not my fault  
It's not my problem  
I'm not the cause I'm not your scapegoat  
I'm not your god  
I'm not your martyr  
I'd leave you all I'm not the reason (I'm not your scapegoat)  
It's not my fault (I'm not your god)  
It's not my problem (I'm not your martyr)  
I'm not the cause (I'd leave you all) Sunshine's gone  
It's all gone By the way  
Just so you know  
Always  
This is how I feel By the way  
Just so you know  
Always, everyday  
This is how I feel I'm not the reason  
It's not my fault  
It's not my problem  
I'm not the cause  
I'm not your scape goat (I'm not your scape goat)  
I'm not your god (I'm not your god)  
I'm not your martyr (I'm not your martyr) This is how I feel (This is how I feel) By the way  
Just so you know  
Always, everyday  
This is how I feel...
