Always (LP Version)

Firefall

How've you been, say it's me again
It's been a long, long time
There's so much to say where do I begin?
I'll sit down and sing you a line
I'm hoping everything is fineYou've got me thinking of you, always
Every day, every night
And when I'm thinkin' of you, always
I want you more than lifeTime is seasoned with endless love
Memories never fade
All the distance makes it hard to live
But I dream about us everyday
Oh, listen here, I've just gotta sayYou've got me thinking of you, always
Every day, every night
And when I'm thinkin' of you, always
I want you more than lifeI see your face every night when I'm dreamin'
I touch your smile far away
Girl, without you my life has ended
But I'm hangin' on, sendin' all my love
(Sendin' all my love)You've got me thinking of you, always
Every day, every night
And when I'm thinkin' of you, always
I want you more than lifeYou've got me thinking of you, always
Every day, every night
And when I'm thinkin' of you, always
I want you more than lifeYou've got me thinking of you, always
Every day, every night
And when I'm thinkin' of you, always
I want you more than lifeYou've got me thinking of you, always
Every day, every night
And when I'm thinkin' of you, always
I want you more than lifeYou've got me thinking of you, always
