Not Meant To Be

[Theory Of A Deadman](#)

It's never enough to say I'm sorry
It's never enough to say I care
But I'm caught between what you wanted from me
And knowing if I give that to you I might just disappear
Nobody wins when everyone's losing
It's like one step forward and two steps back
No matter what I do you're always mad
And I, I can't change your mind
It's like trying to turn around on a one way street
I can't give you what you want
And it's killing me and I, I'm starting to see
Maybe we're not meant to be
It's never enough to say I love you
No, it's never enough to say I try
It's hard to believe that there's no way out for you and me
And it seems to be the story of our life
Nobody wins when everyone's losing
It's like one step forward and two steps back
No matter what I do you're always mad
And I, I can't change your mind

It's like trying to turn around on a one way street
I can't give you what you want
And it's killing me and I, I'm starting to see
Maybe we're not meant to be
There's still time to turn this around
Should we be building this up
Instead of tearing it down
But I keep thinking maybe it's too late
It's like one step forward and two steps back
No matter what I do you're always mad
And I, I can't change your mind
It's like trying to turn around on a one way street
I can't give you what you want
And it's killing me and I, I finally see
Baby, we're not meant to be
It's like one step forward and two steps back
No matter what I do you're always mad
And I'm, baby I'm sorry to see

Maybe we're not meant to be
