

Holiday (Calvo Remix) [feat. Akon]

DJ Antoine

Akon, Antoine When you move I'm in another place
Want to get into your outer space, uh uh
You're like the treble, I'm the bass, yeah
You never leave my mind without a trace, oh When I take you to paradise
When I'm looking into your eyes
All I'm seeing is clear blue skies, woh
I just wanna spend every day
With your love in my heart all day
Can't believe this is my real life! Underneath the sole
We ain't in no hurry
You make every day a holiday
We can take it slowly
Be my one and only
Let's make every day a holiday
A holiday! Ay ay ay (oh ay)
Ay ay ay (hey)
Ay ay ay (oh ay)
Ay ay ay (a holiday) Ay ay ay (oh ay)
Ay ay ay (holiday) (hey)
Ay ay ay (oh ay)
Ay ay ay (a holiday) Girl you wear that sunshine when it rains
And you're taking all my stress away, yeah
How you put a smile upon my face when I'm with you
No return trip, just one way, girl When I take you to paradise
When I'm looking into your eyes
All I'm seeing is clear blue skies, woh (see clear blue skies)
I just wanna spend every day
With your love in my heart all day
Can't believe this is my real life! Underneath the sole
We ain't in no hurry
You make every day a holiday (everyday a holiday)
We can take it slowly
Be my one and only
Let's make every day a holiday
A holiday Ay ay ay (oh ay)
Ay ay ay (hey)
Ay ay ay (oh ay)
Ay ay ay (a holiday) Ay ay ay (oh ay)
Ay ay ay (hey)

Ay ay ay (oh ay)
Ay ay ay (a holiday)Underneath the sole
We ain't in no hurry
You make every day a holiday
EverydayBe my one and only
You make every day a holiday
