When You Love Someone

Poco

There's a ribbon wrapped around your heart
A tender moment sparks against the dark
Pieces so faithfully, fall one by one
When You Love Someone
When You Love Someone Promises we'd break along the way
Well sometimes darlin', that's the price we pay
But all those unspoken schemes
They just fade away
When You Love Someone
When You Love Someone Hey what's it do to you
When someone loves you too
Is that happiness always gonna stand by you
If you love someone? There's a ribbon wrapped around your heart
A tender moment sparks against the dark
Pieces so faithfully, they fall one by one
When You Love Someone
When You Love Someone When You Love Someone(repeat to fade)
