Something to Live For

Ran Blake

I have almost ev'ry thing a human could desire,
Cars and houses, bear-skin rugs to lie before my fire
But there's something missing,
Something isn't there,
It seems I'm never kissing the one whom I care for.
I want Something To Live For
Someone to make my life an adventurous dream
Oh, what wouldn't I give for
Someone who'd take my life
And make it seem gay as they say it ought to be.
Why can't I have love like that brought to me?
My eye is watching the noon crowds
Searching the promenades seeking a clue
To the one who will someday be my
Something To Live For.
I want Something To Live For
Someone to make my life an adventurous dream
Oh, what wouln't I give for
Someone who'd take my life
And make it seem gay as they say it ought to be.
Why can't I have love like that brought to me?
My eye is watching the noon crowds
Searching the promenades seeking a clue
To the one who will someday be my Something To Live For.
