

# How Do You Know

Sasha

Its really amazing, my live is complete  
Ive got all that I wanted more than I need  
Those were the words, I heard myself say  
But Im not so sure anymore I think I was about, closing the file  
By the time that you shot me with your disarming smile  
I dont know what you see but I cant guarantee  
That theres something in me to adore But it seems you dont care at all  
Youre never afraid of the fall  
Reveal me your secret, I promise to keep it  
But I just cant stop to wonder How do you know  
If this is alright?  
How do you know  
If all that you give comes back to you? How can you be so damn sure  
That this way is the right one to go?  
How do you know? Its so amazing how far you can get  
Just by keeping your mind away from regrets  
Following targets without looking back  
Ive been missing the view thats around You pull me to places, I almost forgot  
Maybe Im worth it, maybe Im not  
Im more than a sinner and less than a saint  
But it seems that you dont care at all How do you know  
If this is alright?  
How do you know  
If all that you give comes back to you? How can you be so damn sure  
That this way is the right one to go?  
How do you know? So whatever may hide in the dust  
In you and your senses I trust  
I cant see the future but sometimes it feels  
Like you can do How do you know  
If this is alright?  
How do you know  
If all that you give comes back to you? How can you be so damn sure  
That this way is the right one to go?  
How do you know?
