When the Power Goes Out

Smog

When the power goes out
In the grocery store
You just take, take, take
Just take, take, takeWhen the power goes out
In the grocery store
You just take, take, take
Just take, take, take? ? ? a mother with a cart full of pampers
Out the door and back for more
See the minor with some cases of beer
? ? ? ? ? ? ? ? ?
When the power goes out in the grocery store
You just take, take, take
You just take, take, take
