

# A Means to an End

## Joy Division

A legacy so far removed  
One day will be improved  
Eternal rights we left behind  
We were the better kind  
Two the same, set free too  
I always looked to you  
I always looked to you  
I always looked to you We fought for good, stood side by side  
Our friendship never died  
On stranger waves, the lows and highs  
Our vision touched the sky  
Immortalists with points to prove  
I put my trust in you  
I put my trust in you  
I put my trust in you A house somewhere on foreign soil  
Where ageless lovers call  
Is this your goal, your final needs  
Where dogs and vultures eat  
Committed still I turn to go  
I put my trust in you  
I put my trust in you  
I put my trust in you  
I put my trust in you  
In you. in you. in you  
Put my trust in you, in you
