

# All for You

## Big Daddy Weave

I wanna sing like I'm driving in the car all by myself  
I wanna dance like I just won the lottery  
I wanna lift my hands and spin around  
I wanna throw my head back and shout  
Like a prisoner who's just found out he's free I will give my everything  
I'll be a fool for You  
Because I am in love with You I wanna sing and shout  
I wanna dance around  
I wanna forget who I used to be  
And embrace Your truth So when I sing and shout  
Or when I dance around  
When I lay my pride down  
It's all for You, it's all for You I wanna live learning how to make my life a sacrifice  
I wanna die to find my true identity  
I wanna answer at Your beckon call  
Wanna do my best and give my all  
I wanna hold on to You and let go of me So let me give my everything  
I'll be a fool for You  
Because I am in love with You I wanna sing and shout  
I wanna dance around  
I wanna forget who I used to be  
And embrace Your truth So when I sing and shout  
Or when I dance around  
When I lay my pride down  
It's all for You With sweet success already gained  
Self righteousness is not my aim  
I'm raised from death into Your life, so free Not on my own but by Your grace  
I'm gazing long into Your face  
And I can't keep this passion bottled up inside of me I wanna sing and shout  
I wanna dance around  
I wanna forget who I used to be  
And embrace Your truth So when I sing and shout  
Or when I dance around  
When I lay my pride down  
It's all for You Sing and shout  
It's all for You  
Dance around  
It's all for You Sing and shout  
It's all for You

Dance around  
It's all for You
