

Invisible Wounds (The Suture Mix)

Fear Factory

Dark bodies floating in darkness
No sign of light ever given
Imprisoned in a world without a memory
Unconscious or am I conscious?
Cut from the heart I am part of
Sometimes I feel as though I'm frozen in heavenAnd I saw my own face
In the dark and loneliness
And I saw my own face
Like a spark frozen in heavenIn dreams I see myself flying
Closer to the sun and I'm climbing
Tried to touch the sun
But the brightness burned my eyes
Unconscious or am I conscious?
Fell from the sky like a star
Sometimes I feel as though I'm frozen in heavenAnd I saw my own face
In the dark and loneliness
And I saw my own face
Like a sparkDark, dark, dark
My life was so
Dark, dark, dark
My mind was so
Dark, dark, dark
My life was so
Dark, dark, dark
Everything was
(Darker)Unconscious or am I conscious?
Fell from the sky like a star
Sometimes I feel as though I'm frozen in heavenAnd I saw my own face
In the dark and loneliness
And I saw my own face
Like a spark frozen in heaven(Dark)
