

# A Cocaine Christmas and an Alcoholicâ€™s New Year

## MONEY

Bleary eyed and wasted  
I wake up to an unlikely dawn  
Of beautiful people  
All around me  
I am at your gateway now  
The people are talking  
Like they're winning  
Like the world's not spinning  
Like they're in control  
Like they're Marilyn Monroe  
At a cocktail party  
I'm someone outrageous  
Like Jean Genet  
And I've wasted all my time  
On cocaine at Christmas  
And bottles of wine  
And I'm as happy as a child  
Because you don't have to ask me why  
I'm in love with the season  
I'm in love with the (wretch)  
I'm in love with the (wretch)  
I'm in love with the drunks  
I am Marilyn Monroe  
I am a cocktail party  
I'm someone ugly, beautiful  
Like Jean Genet  
And I've wasted all my time  
On cocaine at Christmas  
And bottles of wine  
And I'm as happy as a child  
Because you don't have to ask me why
