

# Do You Miss Me (Radio Mix)

Jocelyn Enriquez

The radio plays our favorite song  
And it's what keeps me holding on  
Baby, do you miss me?  
Now that I'm gone, yeah I remember the love we had  
How could I forget  
I remember the tears, I cried  
Over one regret Now we're alone, so alone  
I can't help thinking about you  
All the love in the world  
And I'm lonely without you The radio plays our favorite song  
And it's what keeps me holding on  
Baby, do you miss me?  
Now that I'm gone, yeah Get the DJ to play our favorite song  
'Cause it's what keeps me holding on  
Baby, do you miss me?  
Now that I'm gone Do you miss me? Do you miss?  
Do you miss me? Do you miss?  
Do you miss? I remember the love we had  
Not a day goes by  
Heaven knows where you are right now  
But my heart won't lie We were in love, so in love  
My mind's been thinking about you  
All the love in the world  
And I'm lonely without you The radio plays our favorite song  
And it's what keeps me holding on  
Baby, do you miss me?  
Now that I'm gone, yeah Get the DJ to play our favorite song  
'Cause it's what keeps me holding on  
Baby, do you miss me?  
Now that I'm gone Do you miss me? Do you miss?  
Do you miss me? Do you miss?  
Do you miss?  
Do you miss me? Do you miss?  
Do you miss me? Do you miss?  
Do you miss? The radio plays our favorite song  
And it's what keeps me holding on  
Baby, do you miss me?  
Now that I'm gone, yeah Get the DJ to play our favorite song  
'Cause it's what keeps me holding on

Baby, do you miss me?  
Now that I'm gone
