

Neon Gods (feat. Daudi Matsiko)

Booka Shade

Stumble, trip, to you, oww

I tremble
You falter
I trip
You fall
You stumble

I wave my hand
There's thunder
These flames they fall like water

I tremble
You falter
I trip
You fall
You suffer

I wave my hand
There's thunder
These flames they fall like water

Like water...
Flames they fall like water...
