The Last Night

mXsProject

You come to me with scars on your wrist
You tell me this will be the last night
Feeling like this
I just came to say goodbye
Didn't want you to see me cry
I'm fine but I know it's a lie
This is the last night you'll spend alone
Look me in the eyes so I know you know
I'm everywhere you want me to be
The last night you'll spend alone
I'll wrap you in my arms and I won't let go
I'm everything you need me to be
Your parents say everything is your fault
But they don't know you like I know you
They don't know you at all
I'm so sick of when they say
It's just a phase, you'll be okay, you're fine
But I know it's a lie
This is the last night you'll spend alone
Look me in the eyes so I know you know
I'm everywhere you want me to be
The last night you'll spend alone
I'll wrap you in my arms and I won't let go
I'm everything you need me to be
The last night away from me
The night is so long when everything's wrong
If you give me your hand, I will help you hold on
Tonight, tonight
This is the last night you'll spend alone
Look me in the eyes so I know you know
I'm everywhere you want me to be
The last night you'll spend alone
I'll wrap you in my arms and I won't let go
I'm everything you need me to be
I won't let you say goodbye
And I'll be your reason why
The last night away from me, away from me
