

The Killer Inside

Better Than Ezra

Well she believes that I'd be better off without her
And she believes in me Well she believes that time can make things right, yea
And I wanna believe that there's been a change in me And I hope that she believes
Yes I wonder if she sees the killer inside me The lights go down and the clouds are buildin' outside
You close the door and turn the key but there's no place to hide And I hope that she believes
Yes I wonder if she sees the killer inside me And I hope that she believes
Yes I wonder if she sees the killer inside me The killer inside me
The killer inside me
The killer inside, yea
