Got 2 Move

Ebrahim

Verse
I come home tired from work today
And I grab a bite quickly
Thereâ€™s so much that I want to do
Before I head to sleep
I sing along with my guitar
And my neighbors all wake up
Thatâ€™s all I really want to do
But they always banging my walls

Pre
All that need
Is a place to be
But they just cant see
That they driving crazy
They just donâ€™t know
Why I do this for
Damn I got to write song
But oh shoot

Chorus
I got to move cuz I like to make music at night
And my neighbors donâ€™t like it
I want to turn the volume up
But I know theyâ€™re going to complain
Move cuz I like to make music at night
And my neighbors donâ€™t like
I think I need some solid walls
So I keep from going insane

Verse
Now thereâ€™s this girl I always see
And she sometimes looks my way
She gives me something to look forward to
At the end of my day
See all this time I thought she wanted something more
But it turns out that she lived above me
And was banging on the floor, sayingâ€¦

Chorus

Move cuz I like to make music at night
And my neighbors donâ€™t like it
I want to turn the volume up
But I know theyâ€™re going to complain
Sheâ€™s got tâ€¦tâ€¦tâ€¦to move
Iâ€™ve got tâ€¦tâ€¦tâ€¦to move
Cuz sheâ€™s always bang bang
On the floor

Breakdown
Got the move cuz I like to make music
Got to move cuz I like to move
Got to move cuz I like to make music
Got to move cuz I got to

Oh la la la laâ€¦

Chorus
I got to move cuz I like to make music at night
And my neighbors donâ€™t like it
I want to turn the volume up
But I know theyâ€™re going to complain
Move cuz I like to make music at night
And my neighbors donâ€™t like
I think I need some solid walls
So I keep from going insane
