

I Need a Good One (feat. Mark Asari)

The Avener

Oh na na na na, yeah
Oh na na, na,
Oh na na na na, yeah Listen now I'm looking for my pride, my pride, oh my
Someone who's gonna ride for me, die for me, yeah
Sits with me at the table
Cause I know she holdin' it down for a G
I got her, she got me
I need a good one I need a good one
All I need is a good one
I don't think y'all hear me, all I'm needing is a good one
Who's holdin' it down for G
I got her, she got me, I need her
Somebody love you, I'm looking for you
Someone I can place no other girl above her
Cause no one above her
I need a freak undercover
I wanna love you
Keeps me pointed and she keepin' me focused
I wanna do better
Just wanna know where she at
I'm looking for the real one who's got my back
Who keeps it 100, and all I need, all I need is just one
A good one I'm looking for my pride, my pride, oh my
Someone who's gonna ride for me, die for me, yeah
Sits with me at the table
Cause I know she holdin' it down for a G
I got her, she got me, I need a good one
Oh na na na na
Oh na na na
Oh na na na na, yeah Listen now I-I need her on my team
Cause every soldier needs a queen, yeah
She ain't in it for the money, she got her own money
Still imma make sure she's caught in the latest
She's not proud on loose I'm looking for my pride, my pride, of my life
Someone who's gonna ride for me, die for me, yeah
Sits with me at the table, cause I know she holdin' it down for a G
I got her, she got me, I need a good one Oh na na na na
Oh na na na
Oh na na na na, yeah Listen now I just wanna know where she at

I'm lookin' for a real one, that's got my back
Who keeps 100, and all I need, all I need is just one, a good one I'm looking for my pride, my pride, oh my
Someone who's gonna ride for me, die for me, yeah
Sits with me at the table, cause I know she holdin' it down for a G
I got her, she got me, I need...I'm looking for my ride, oh my pride, oh my baby
Someone who's gonna ride, yeah
Cause I know she holdin' it down for a G
I got her, she got me, ooh, oh
