

Lean, Mean and Hungry

Chris LeDoux

Well, I'm lean, mean and hungry
Rude, crude and dirty
The most folks that see me
Goin' down the road I'm a bum and I'm lazy
Some think I'm crazy
But I'm just a cowboy
Tryin' to take that money home Well, I've been rodeoin'
Goin' and a blowin'
Up and down this highway
Searchin' for a dream Someday I'll settle down
Right now I'm ramblin' 'round
'Cause I'm just a cowboy
And that's all I wanna be Well, I'm lean, mean and hungry
Rude, crude and dirty
The most folks that see me
Headin' down the road Well, I'm a bum and I'm lazy
Some think I'm crazy
But I'm just a cowboy
Tryin' to take that money home I ride for my wages
To put food on the table
I gotta feed my family
Waitin' there at home Oh, you know I hate to leave 'em
But Lord, I need my freedom
But you know it won't be long
Till I'll be comin' home Well, I'm lean, mean and hungry
Rude, crude and dirty
The most folks that see me
Headin' down the road I'm a bum and I'm lazy
Some think I'm crazy
But I'm just a cowboy
Tryin' to take that money home Well, I'm lean, mean and hungry
Rude, crude and dirty
The most folks that see me
Headin' down the road I'm a bum and I'm lazy
Some think I'm crazy
But I'm just a cowboy
Tryin' to take that money home Well, I'm lean, mean and hungry
Rude, crude and dirty
The most folks that see me

Headin' down the road I'm a bum and I'm lazy
Some think I'm crazy
