

# I Never Will Marry (with Anita Carter)

[Hank Snow](#)

One morning as I rambled down by the sea shore  
The wind it did whistle and the waters did roar  
I heard of fair maiden make a pitiful sound  
It sounded so lonesome in the waters around I never will marry I'll be no man's wife  
I expect to live single all the days of my life My love's gone and left me the one I adore  
She's gone where I'll never see her anymore  
She plunged her fair body in the waters so deep  
She closed her pretty blue eyes in the waters to sleep I never will marry I'll be no man's wife  
I expect to live single all the days of my life
