

# Everybody's Rockin'

## Big & Rich

Me and my buddies  
We've been makin some hay  
Time to blow off some steam because its the end of the day We've been driving bails  
We've been cutting steal  
Its time to raise some hell  
I know you know the dealEverybody's rockin on a Saturday night  
Long necks poppin because we wanna get wild  
Two-step dancing on the hard wood floor  
Somebody get the banjo  
We wanna hear some noise  
Play the guitars  
Strum the drums  
And play the banjo  
Don'tcha know its good for one night  
So here we go  
Oh I wanna honky tonk for the rest of my life  
Everybody's rockin on a Saturday nightI never seen so many hot lookin cowgirls  
It don't get no better than this in the whole world  
It's time to saddle up  
By the bar a round  
I paid you just enough  
We gonna all throw downEverybody's rockin on a Saturday night  
Long necks poppin because we wanna get wild  
Two-step dancing on the hard wood floor  
Somebody get the banjo  
We wanna hear some noise  
Play the guitars  
Strum the drums  
And play the banjo  
Don'tcha know its good for one night  
So here we go  
Oh I wanna honky tonk for the rest of my life  
Everybody's rockin on a Saturday nightEverybody's rockin on a Saturday night  
Long necks poppin because we wanna get wild  
Two-step dancing on the hard wood floor  
Somebody get the banjo  
We wanna hear some noise  
Play the guitars  
Strum the drums

And play the banjo  
Don'tcha know its good for one night  
So here we go  
Oh I wanna honky tonk for the rest of my life  
Everybody's rockin on a Saturday nightEverybody's rockin  
Everybody's rockin  
Everybody's rockin  
Everybody's rockin
