All The Same

Sick Puppies

I don't mind where you come from
As long as you come to me
I don't like illusions
I can't see them clearlyI don't care; no, I wouldn't dare
To fix the twist in you
You've shown me eventually
What you'll doI don't mind
I don't care
As long as you're hereGo ahead, tell me you'll leave again
You'll just come back running
Holding your scarred heart in hand
It's all the same
And I'll take you for who you are
If you take me for everything
Do it all over again
It's all the sameHours slide, and days go by
Till you decide to come
And in between it always seems too long
All of a suddenAnd I have the skill, yeah, I have the will
To breathe you in while I can
However long you stay
Is all that I amI don't mind
I don't care
As long as you're hereGo ahead, tell me you'll leave again
You'll just come back running
Holding your scarred heart in hand
It's all the same
And I'll take you for who you are
If you take me for everything
Do it all over again
It's always the sameWrong or right
Black or white
If I close my eyes
It's all the sameIn my life
The compromise
I close my eyes
It's all the sameGo ahead, say it - you're leaving
You'll just come back running
Holding your scarred heart in hand

It's all the same
And I'll take you for who you are
If you take me for everything
Do it all over again
It's all the same
