We Shine

Fee

Yeah, yeah, we shine, we shine with the light of God
And when we speak we speak with words of love
And when we dance we may get a little wild
'Cause we're the people of God, yeah, the people of GodWhen we sing we sing the angel's song
The ones they're singing around the throne
Yeah, yeah, we worship the King with everything that we are
'Cause we're the people of God, yeah, the people of GodAnd now is the time for the people to rise
Lift up a shout, everybody cry out
Raise your voice, shout out a noise
And dance a dance of joyWe are the redeemed, we are the ones who are free
And we belong to Jesus
We are now alive and in this world we will shine
'Cause we belong to JesusThe spirit of God is freedom rings
So come on, come on throw off your prison chains
We're liberated by the King only freedom remains
For the people of God, yeah, the people of GodWe're livin' in kingdom that will never end
We're livin' in the power that defeated sin
So come on everybody let your praise begin
Cause Jesus is alive and he's comin' againAnd now is the time for the people to rise
Lift up a shout, everybody cry out
Raise your voice, shout out a noise
And dance a dance of joyWe are the redeemed, we are the ones who are free
And we belong to Jesus
We are now alive and in this world we will shine
'Cause we belong to JesusWe're goin' into all the world
Carrying the light of Jesus
And we shine, yeah we shine
In the darkest place we shineWe're goin' into all the world
Carrying the light of Jesus
And we shine, yeah we shine
In the darkest place we shineAnd now is the time for the people to rise
Lift up a shout, everybody cry out
Raise your voice, shout out a noise
And dance a dance of joyWe are the redeemed, we are the ones who are free
And we belong to Jesus
We are now alive and in this world we will shine
'Cause we belong to JesusWe are the redeemed, we are the ones who are free
And we belong to Jesus
We are now alive and in this world we will shine

'Cause we belong to JesusCome on, come on, your kingdom is comin'
Come on, come on, your kingdom is comin'
Come on, come on, come on
Let your kingdom come downCome on, come on, your kingdom is comin'
Come on, come on, your kingdom is comin'
Come on, come on, come on
Let your kingdom come down
