## Trembling Blue Stars

Tears flowing down the line  
I listened as you cried  
The world had come down to  
two people in two roomsNow and then I'd hear the smallest voice  
I know I wasn't strong  
I know I had a choice  
Though you try to tell me otherwise  
it's shining out of you  
it's in your eyes open them wideThis is special and you know it too  
we say we differ, but do you think we do  
What more would you likeI understand and then... then again, I don't  
while part of me does, part of me won't
